A Transmission from The Chairdeer

Kiki and Tama step into a new world. With them, so do we.

The Megalopolis runs on profit. Kancil tracks every transaction. Lupus staffs every precinct and every ward. Singamas owns the ground beneath your feet. Aquila powers the grid and that keeps the lights on. The megacorps shape what we want, what we fear, and what we believe we can't live without.

But deep in the underbelly of the city, there's something that never shows up on any balance sheet: Community. The kind that doesn't answer to any board.

The kind that just... shows up.

With the Architects and Overseers of the city now standing with us, the network is ours to reclaim. We've spent months building this dream from the ground up. Now... the baton passes to you, fellow citizen. Explore. Make connections. Build new memories with friends old and new. Shine brighter than any billboard that anyone could ever buy. This city belongs to those who show up for each other.

As you navigate the network this weekend, take care of yourself, and take care of each other. May your adventures echo the beating heart of the Megalopolis.

Welcome home.

Your friend,

Hopesa Camaraski

Go visit **iwag.furries.id/coc/** to review our full Code of Conduct!

Guest of Honor - Auveiss

From the City of Flowers hails an artistic and adventurous dragon. Joining us as our Guest of Honor is **Auveiss**!

Also known as Vyse, she's a digital artist and streamer whose work breathes life into furries, robots, and other creatures. Alongside her partner in crime Dreanzwolf, she co-powers Sundeuy, a multimedia hub where art, gaming, and podcasting collide.

Join her at the **Guest of Honor Talk** as she shares her experience within the furry fandom.

Oh, and if you recall us publishing a mysterious survey a few months ago? That's going to be a challenge for Auveiss to draw and complete live on stage!

Curious about her before the panel? Feel free to check out her socials or catch one of Sundeuy's past streams.

Guides and Tips

We at IWAG want to ensure you have a fantastic time during the convention. So we've put together some helpful guides for you.

If you think you have lost something, head over to **Convention Operations (Con Ops)** and inquire about it. We will note it down, and chances are, your item is already at Con Ops waiting for you! If you find a lost item, please bring it to Con Ops for safekeeping.

Stay connected by **subscribing to our Telegram channels and joining our Discord server**. These platforms will keep you updated on event schedules, last-minute changes, lost and found items, and other important announcements.

To keep the fun going for everyone, please read and familiarize yourself with the **IWAG Code of Conduct**. Adhering to it ensures a pleasant experience for all. If you have any questions or need help, our staff and volunteers are here to help.

Staying hydrated is essential, especially if you're in a fursuit or participating in many activities. We recommend carrying a water bottle with you. When you need a break, visit the fursuit lounge. If you need repairs, some fursuit makers can assist you.

Remember to **take regular breaks** to avoid exhaustion. Conventions can be a bit much sometimes. So if you feel too overwhelmed, rest in your room or find a quiet space in the public areas around the hotel.

Follow the **6-2-1 rule**: get at least 6 hours of sleep, 2 meals, and 1 shower each day!

If you feel unwell, unsafe, or notice someone who might need help, stop by **Convention Operations (Con Ops)** for help.

Make time to explore the **Dealers' Den, Art Corner, Art Show, FurEats Café**, and our **Panels** to have a full experience of the convention. Meet new furs and make friends, as building new connections is what these conventions are all about. Don't hesitate to say hi to new folks.

~ Above all, enjoy the convention responsibly, ensuring your fun doesn't impede on the enjoyment of other fellow furs. ~

Around Us - BSD City

The ibis Styles Serpong BSD City has been home to IWAG for the second year, providing past attendees a familiar sight to easily settle in, and new attendees plenty to explore!

During your stay, don't forget to check out the hotel's unique, streetside-vendor Angkringan eats for affordable local fare at the comfort of the hotel, or stick around for a sit-down experience at the hotel's restaurant. And if you're staying at the hotel, enjoy the complimentary breakfast with fellow resident furries. It's a great way to start your day.

If you feel like venturing out, there are lots of options - from shophouses, hole-in-walls, and even shopping centers - just a short walk or ride away.

Here are some notable spots you might want to check out around the venue:

- YC Hub: A row of shophouses packed with restaurants, convenience stores, and even laundry services to make your stay comfortable.
- Intermoda Market Hall: A bustling marketplace and transport hub. Grab some affordable street food from the hawkers, or hop on a bus to explore the rest of BSD. You can also transfer to commuter railway services from here.
- The Breeze: Want to treat yourself? This open-air lifestyle center offers aesthetic dining and chill vibes.
- AEON Mall: Need to stock up? This large mall has pretty much everything under one roof.
- Edutown: An area full of interesting coffee shops, matcha bar, and also a Circle-k that does noodles! You can find a whole lot of hang out places here after hours with friends.
